

ASSEMBLY INSTRUCTIONS

SKU#516955

NOTE: Please consult a qualified electrician if you are not certain of installation or servicing.

CAUTION: Before starting installation or service, disconnect power by turning off the circuit breaker or removing the fuse at the fuse box.

1. Carefully unpack the fixture, lay out all parts on a clean surface.
2. Tighten the longer mounting screws into mounting holes on mounting strap (to be fully tightened later).
3. Fasten mounting strap to outlet box using the provided outlet box screws.
4. Tie ground wire from outlet box and from fixture to the ground screw on the mounting strap. Connect white wire from fixture to white wire (neutral wire) from supply circuit. Connect black wire from fixture to black wire (live wire) from supply circuit. Cover connections using provided wire connectors.
5. Place the canopy over outlet box. Allow the heads of mounting screws come out through the large ends of keyholes. Twist the canopy until the heads of mounting screws slide into narrow ends of keyholes. Fasten mounting screws to secure the canopy.
6. Unscrew the finial from nipple. Then tighten the nipple into the bushing using hex nut.
7. Install the bulbs (sold separately). Attach shade, washer and cap over the nipple and screw with finial.
8. Reconnect the power.
