PULLEY PENDANT

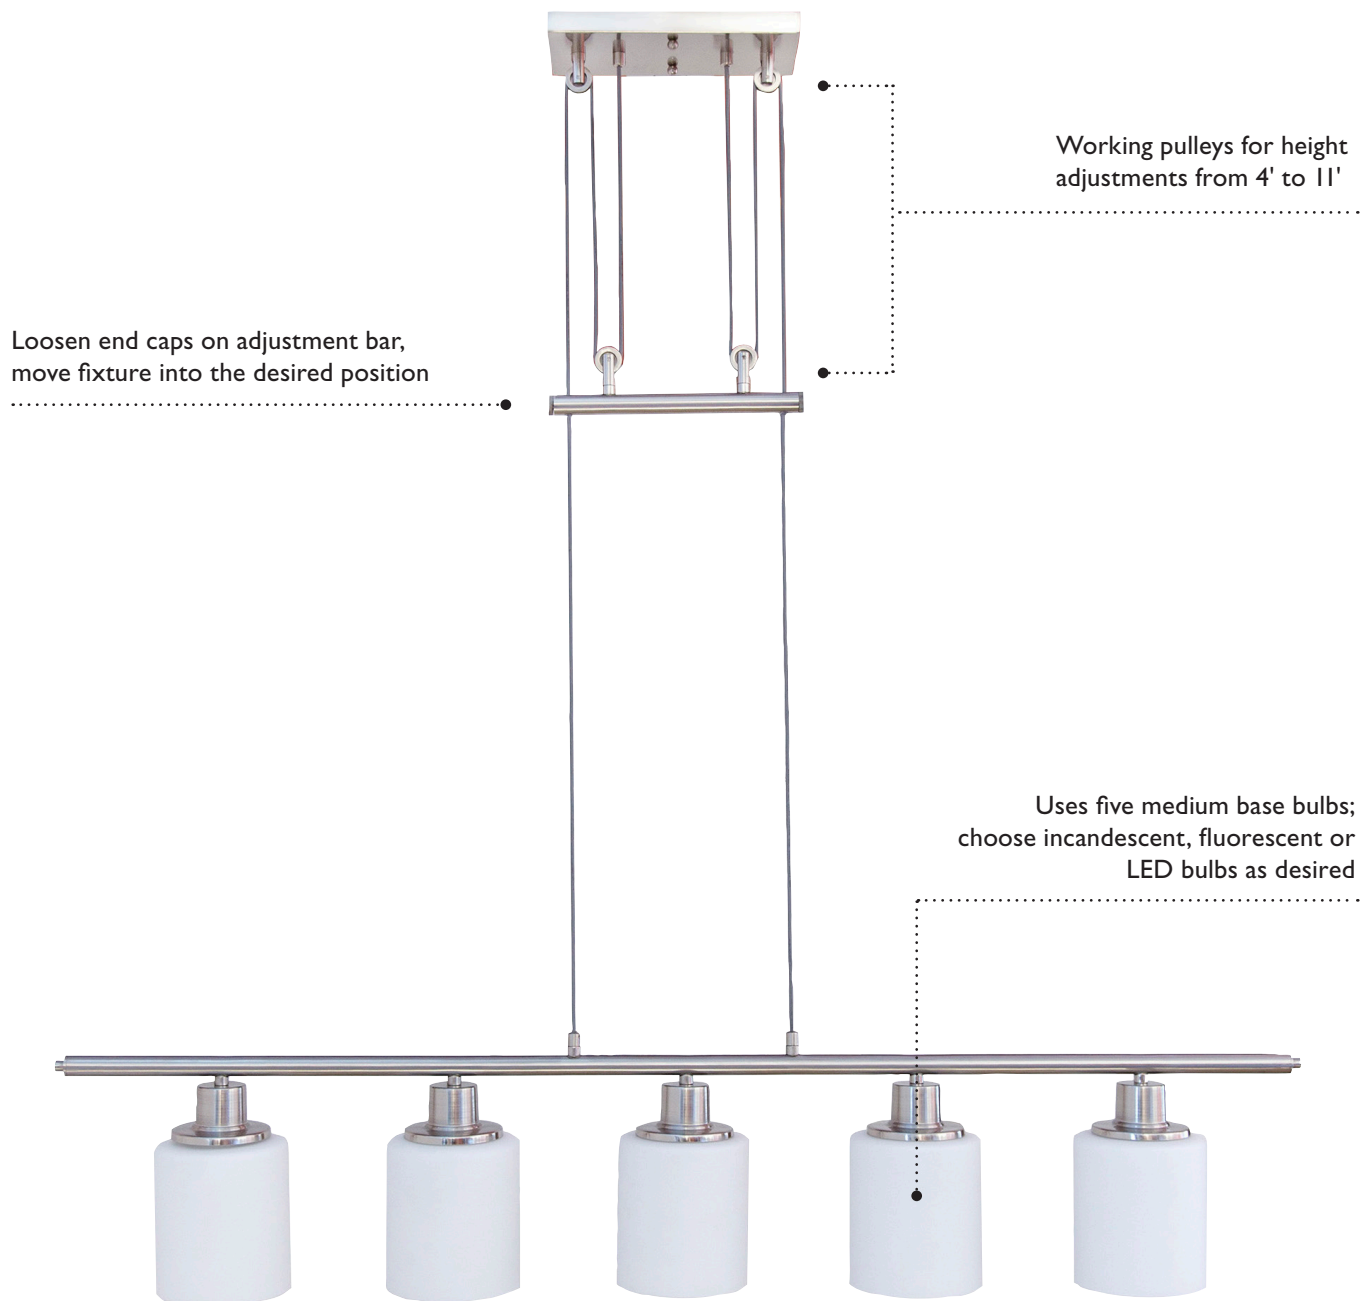

AVELINE PULLEY PENDANT

Get light where you need it with the Aveline Pendant. This pendant features a working pulley mechanism that allows the light to be adjusted between 4' and 11' from the ceiling. Perfect for rooms with tall ceilings where it can be tricky to get the light at just the right height over the counter, island or table. The contemporary styling, satin nickel finish, and sleek frosted glass shades blend seamlessly with a variety of home décor styles.

- Working pulleys for height adjustments from 4' to 11'
- Uses five medium base bulbs; choose incandescent, fluorescent or LED bulbs as desired
- UL listed
